[redacted]

The U.S. Department of Agriculture has evidence that on or about April 29, 2013, September 12, 2013 and November 26, 2013, you or your organization committed violations of the following sections of the Code of Federal Regulations, Title 9:

2.126(b) Access Inspection of Records and Property....repeated failure to make a responsible adult available to accompany APHIS officials during the inspection process (September 12, 2013 and November 26, 2013)

3.10 Watering....DIRECT....failure to keep water receptacles clean and sanitized (April 29, 2013)

The Animal and Plant Health Inspection Service (APHIS) created federal regulations to ensure the welfare of animals and help prevent the spread of animal and plant pests and diseases. Since violations of the regulations can have serious and costly impacts that are detrimental to the public interest, APHIS is providing you with an Official Warning for the violation(s) described above. Any further violation of these federal regulations may result in the assessment of a civil penalty, criminal prosecution, or other sanctions. If you have any questions concerning this Official Warning or violation(s), please contact the APHIS official listed in this notice.
